## CNC Machine for Special Key Manufacturing

A design involving the use of major software leaders in the domain, we ensure the accuracy and performance of our CNC machine.

Siemens Tia Portal v16  
See electrical expert  
EasyBuilder

Experience the power of precision with our state-of-the-art CNC machine designed specifically for special key manufacturing. Our advanced technology and meticulous craftsmanship combine to deliver superior results and unparalleled quality  
Just for FPS.

Big thanks must be delivered for our both  
academic & industrial supervisor

Mr. Fezzani

Mr. Zneidi

And other special thanks for our juries

Mr. BenAbdallah

Mr. Mlaouh

And for the 3 years journey, thanks for everyone that's put effort and work in helping and encouraging us.
